CLAIMS APPEAL DETERMINATION AND REASONS

[Halliburton and Transocean Settlement]

The Claims Administrator has provided me with the Appeal Determination Notice, Court Review Request, Claim Form, Determination Notice and submissions of claimant and its counsel concerning the appeal of [REDACTED], Claim No. [REDACTED] ("claimant"), denying its claim for payment from the Halliburton/Transocean Settlement Agreements.

Having reviewed these materials, the determination of the Claims Administrator is AFFIRMED essentially for the reasons provided by the Claims Administrator, which are wholly consistent with the Settlement Agreements, the Allocation and the court’s orders approving the Settlement Agreements, the Distribution Model and the law supporting them. No evidence of damaged personal property has been submitted. The real property is not in the Wetlands Real Property zone. It has been separately considered

by the Claims Administrator as a Coastal Real Property claim. No further equitable consideration as a personal property claim is warranted.

A handwritten signature in black ink, reading "Joseph C. Wilkinson, Jr.", written over a horizontal line.
