

A representative may complete and submit this Certification to establish his or her authority to sign a Claim Form and other administrative forms on behalf of: (1) a deceased claimant, the estate of a deceased claimant, and the heirs of the estate; (2) a claimant who is a minor under the law of the state where the claimant lives; or (3) a claimant who is incompetent to act for himself or herself under the law of the state where the claimant lives. This Certification may not be sufficient to prove a representative’s authority to sign a Release on a claimant’s behalf, or on behalf of the estate and heirs of a deceased claimant. Depending upon the applicable state law, if the claimant’s claim is eligible for payment, a representative may be required to get a court to approve the Award Amount and its distribution and submit a copy of an official court document proving that the person signing the final Release has the authority to settle the claim on the claimant’s behalf, or on behalf of the estate and all heirs, even if the Administrator has accepted this Certification as sufficient to allow a claim to move through the claim review process.
